

# My Moving Guide

# Moving is a big adventure

This book helps you remember what happened during your move, remind you of the people you met, help you keep in touch with friends (old and new) and suggest some fun things to do and see.

We hope this book helps to make this experience lots of fun.  
Good luck and enjoy the adventure!

# My Moving Guide

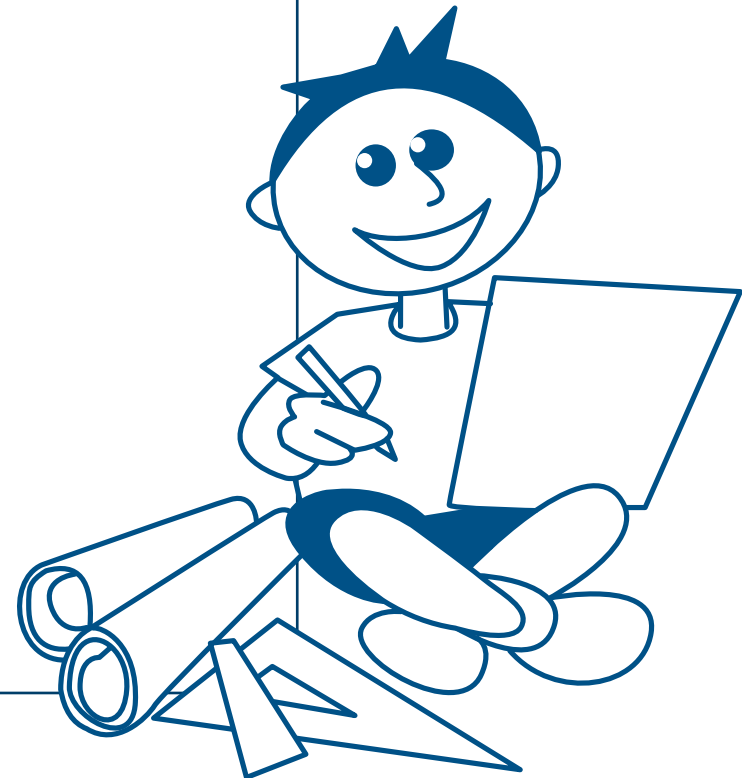

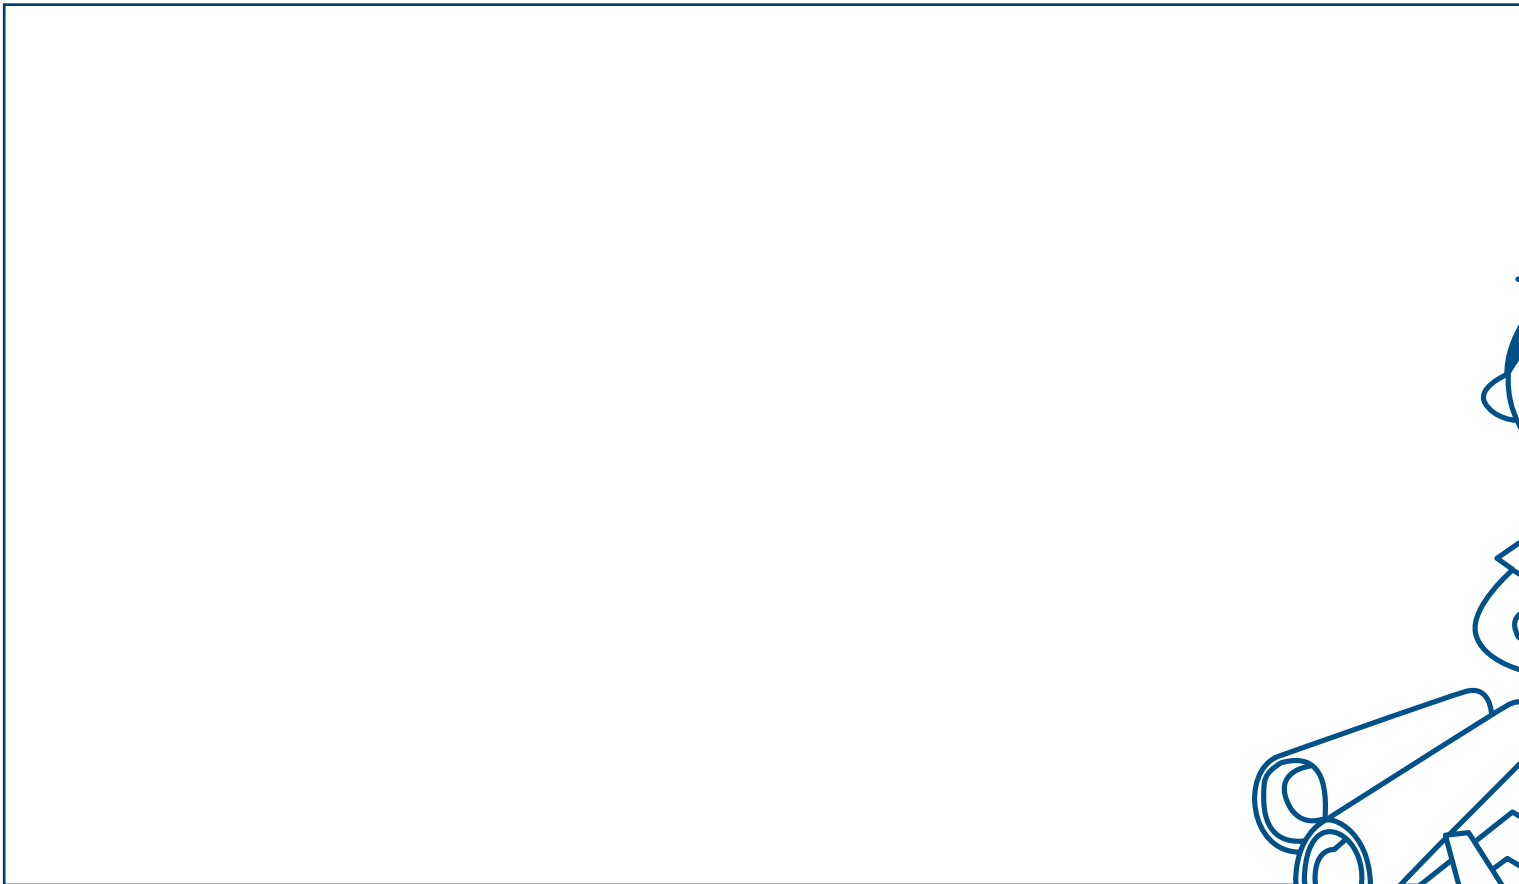

Name: \_\_\_\_\_

I will be moving to: \_\_\_\_\_ on \_\_\_\_\_

Why not draw a picture of you and your family below.

# My Old House

These pages are all about the house you are moving from.  
Why not draw a picture of your old house below.

Lots of great things happened in this house. Try and write about some of the fun things you did. Did you learn to ride a bike there? Did you get a new brother or sister? Do you remember anything naughty you did? Did you have a party....?

# My Friends

Moving to a new place also means leaving friends behind - but you can still keep your old friends and make new ones!

Why not take pictures of your classmates and friends and put them in here? Make sure you have their addresses - writing to friends in other countries is great fun and getting letters back is even better!

## My Classmates

Name: \_\_\_\_\_

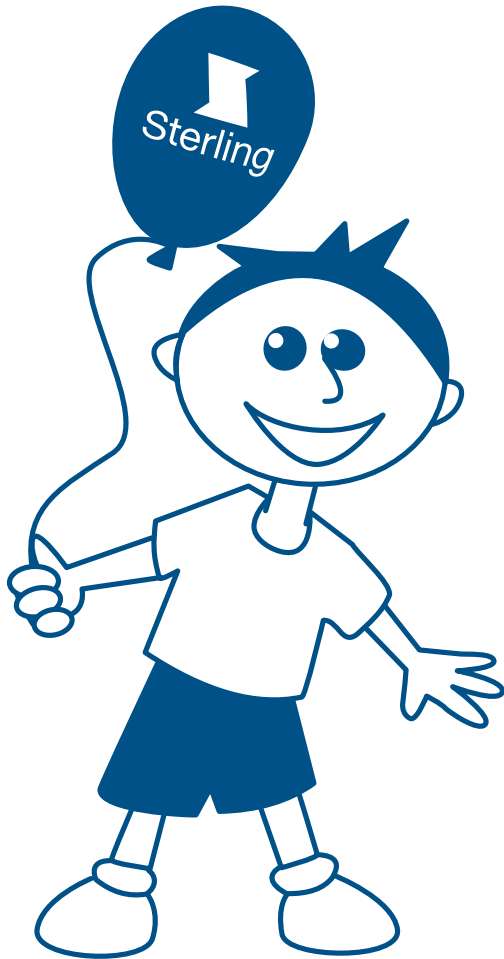

Address: \_\_\_\_\_

# My Old School

Moving to a new country means starting at a new school. Maybe there are some things you will be happy to say goodbye to!

Draw a picture of your old school or maybe your favourite teacher below.

# School

What is your favourite subject at school?

---

---

What is your least favourite subject at school?

---

---

What will you miss about your school?

---

---

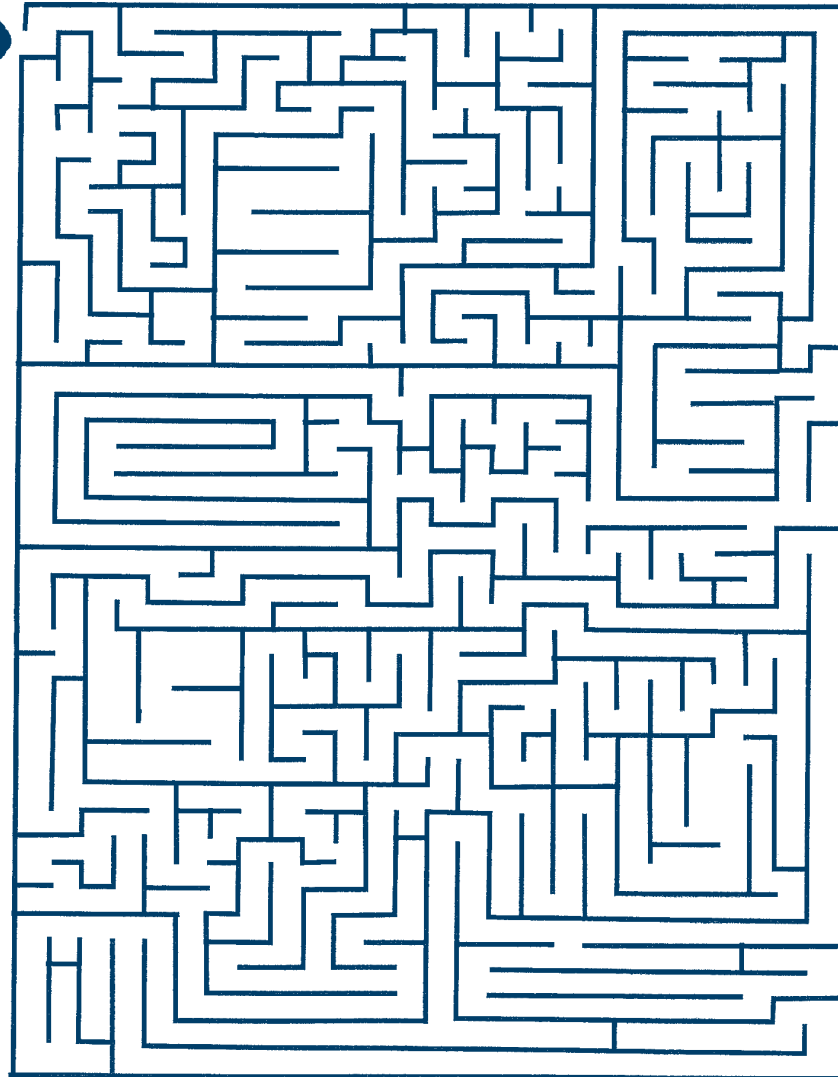

What won't you miss about your school?

---

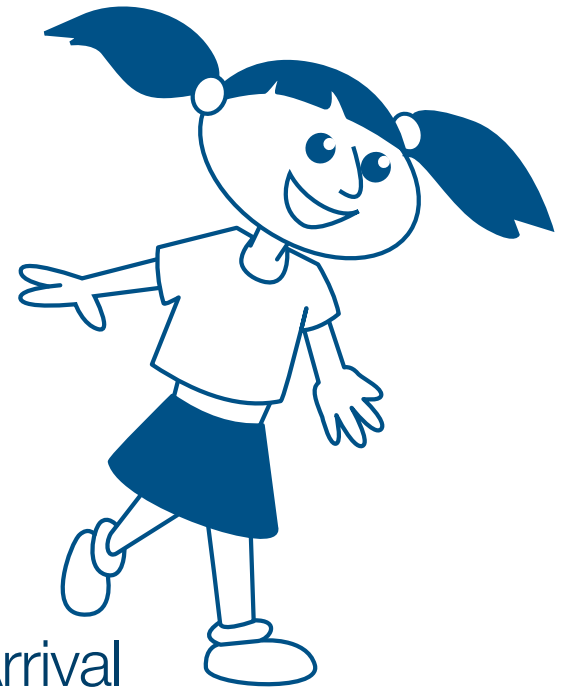

---

# Maze

Departure

Arrival

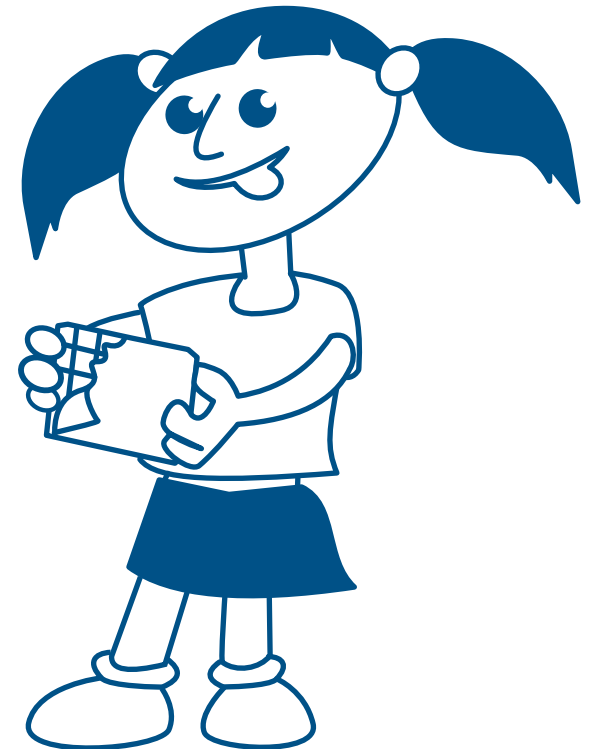

# Dot to Dot

# My Special Treats

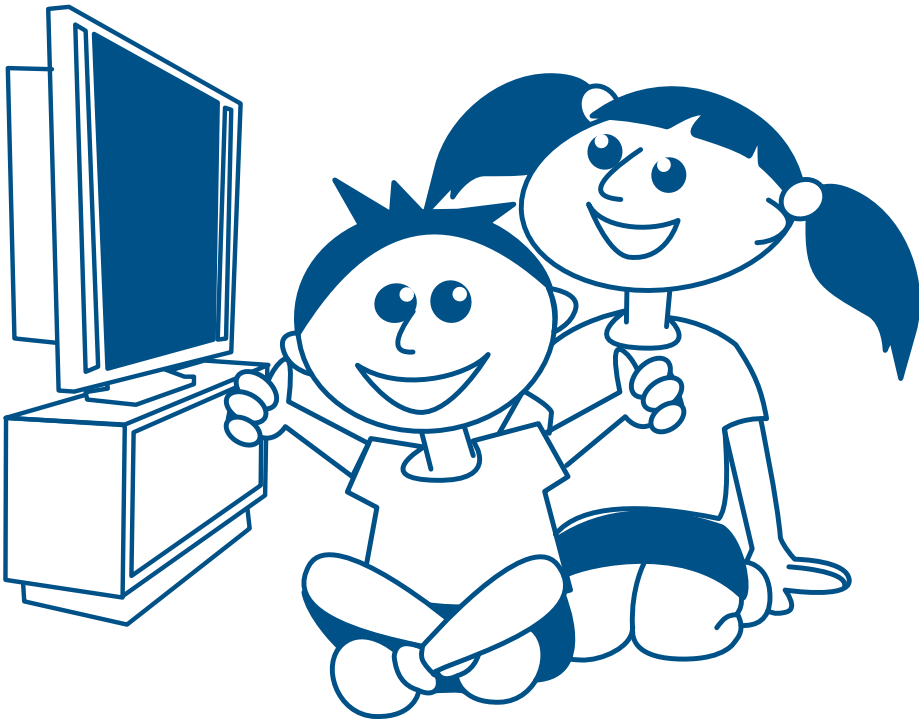

What are the favourite special treats you get where you live now?  
What about a special kind of chocolate or candy?

Stick some wrappers below of your favourite treats so you can look for them when you get to your new home. What if you can't get them when you move? Why not make a promise with your friends - they send you stuff after you leave the country and you will send them things from your new country.

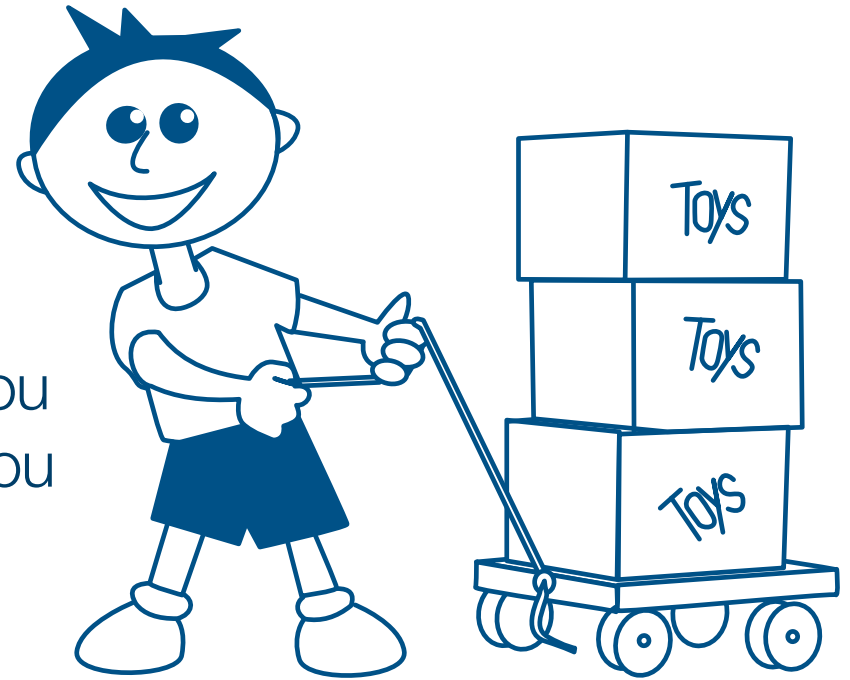

# My Favourite TV Programmes

What are your favourite TV programmes?  
Why not stick in some pictures from magazines.

# Planning

Let's start planning for your big adventure! List all the things you need to do before you move and when you will do them - then you can tick them off when you're done.

What I need to do	When (date)	I'm done
Pack up my toys	15th October	✓
Take back library books	9th October	✓
Cancel comic subscription	12th October	✓

# Planning

What I need to do	When (date)	I'm done

# Word Search

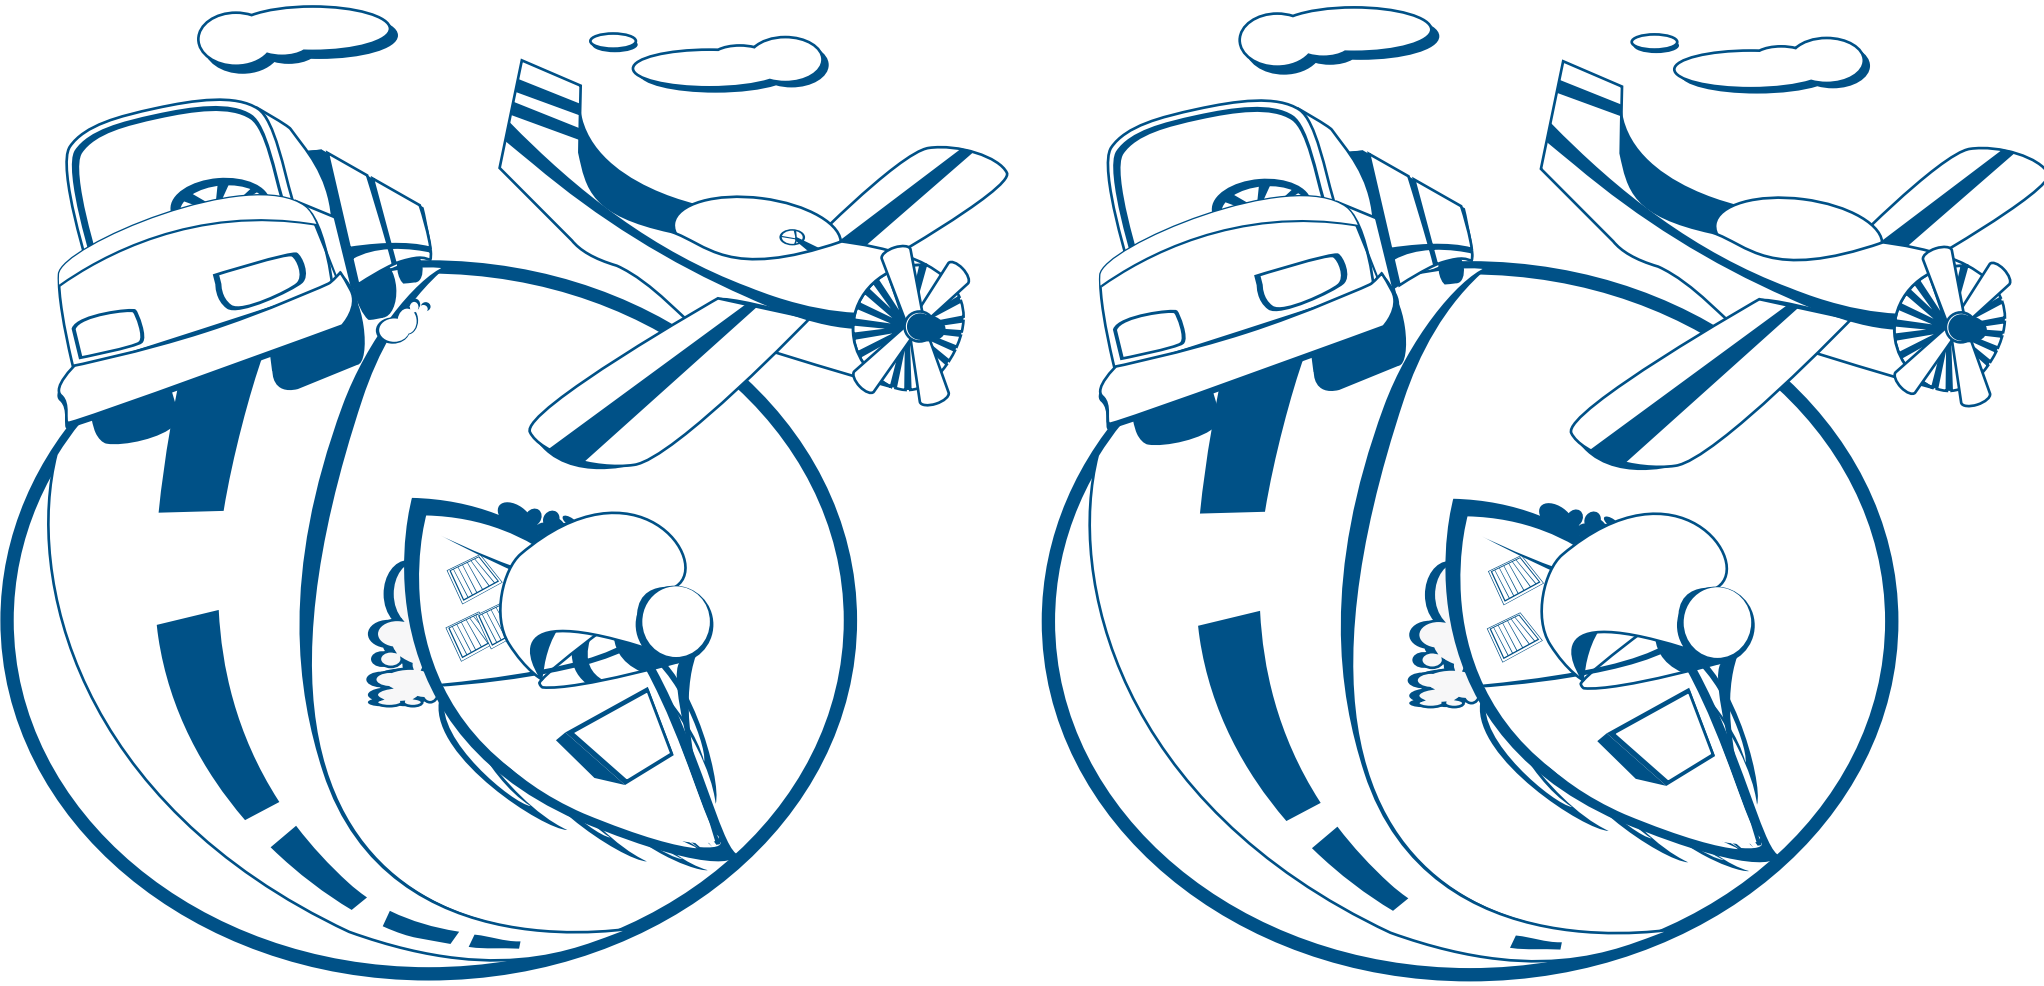

Find the words in the grid.

# Spot the Difference

Spot the 7 differences between these 2 pictures.

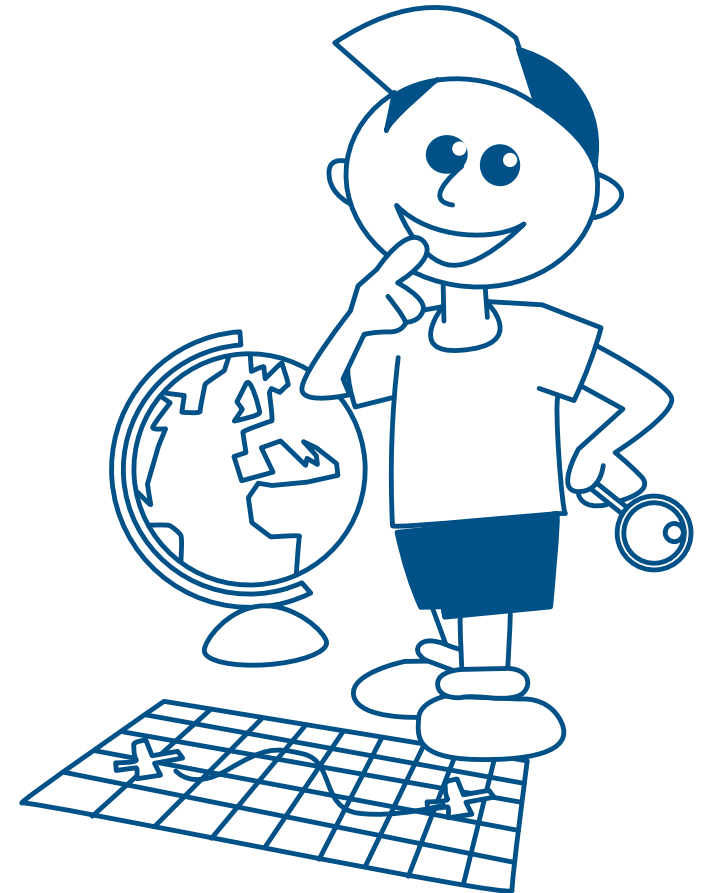

# The Adventure Begins

Will you sleep over with friends or relatives before your trip?

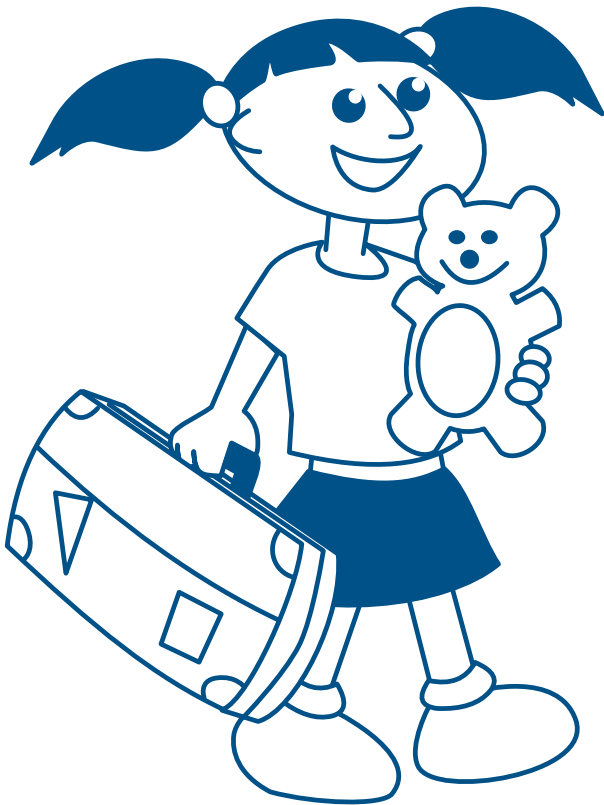

How long is your trip?

Can you draw a map of your journey? Copy a map from one of your books and see if you can draw the route below.

# My Suitcase

Have you packed your own suitcase - don't forget you can bring a favourite toy with you, as long as it's small! What else will you bring in your case?

---

# You've Arrived

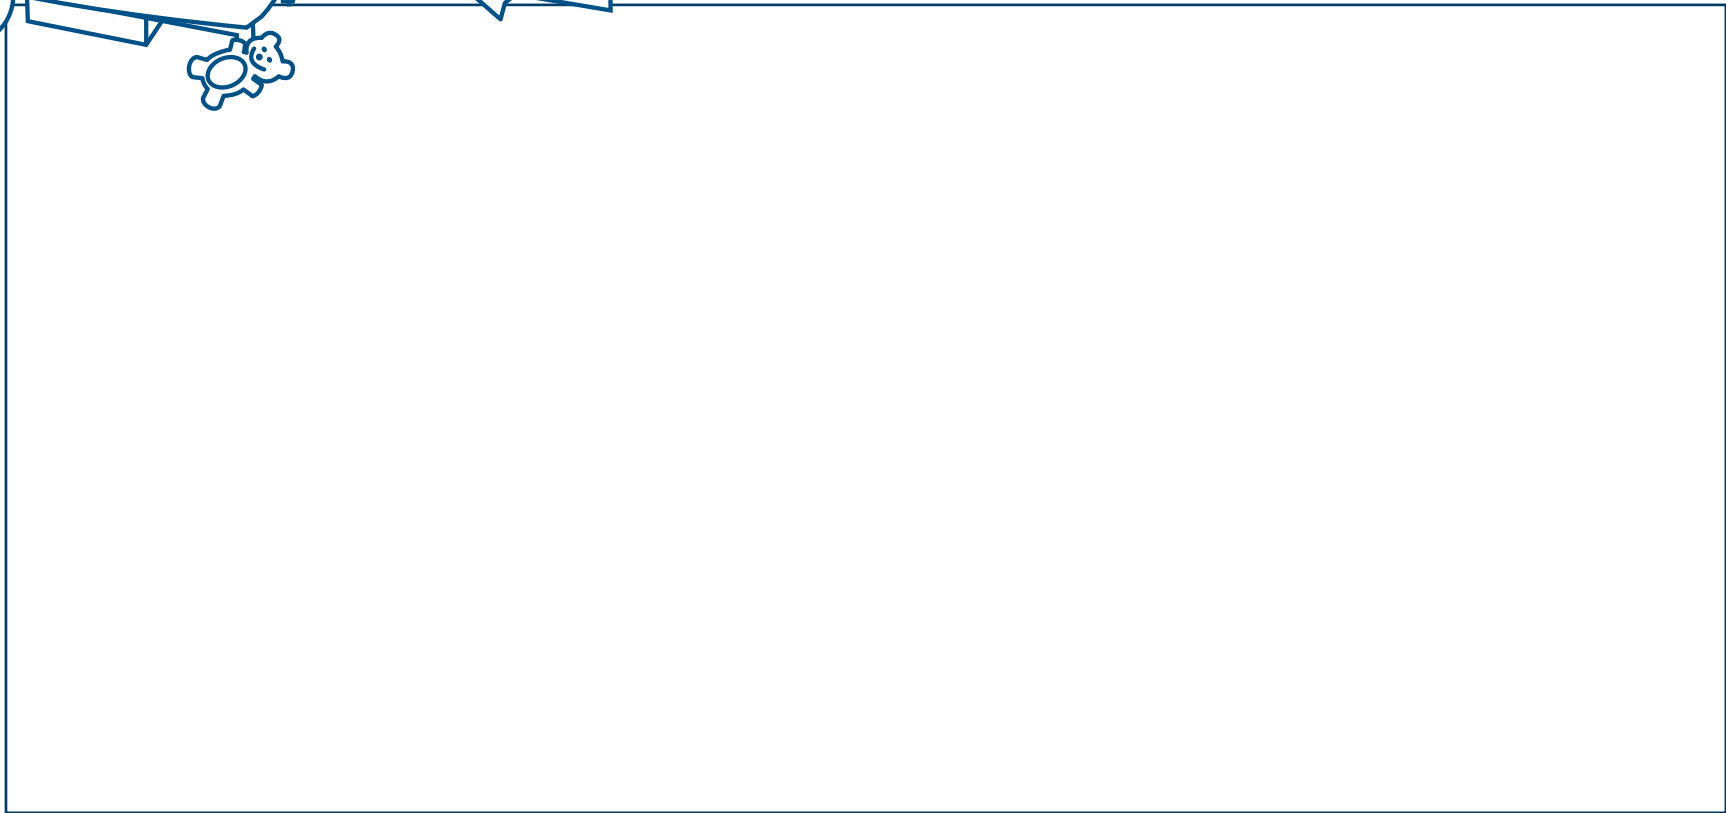

Try and draw a picture of your new home.

# My Room

Draw a picture of how you want your room to look, putting in all the furniture where you would like it to go.

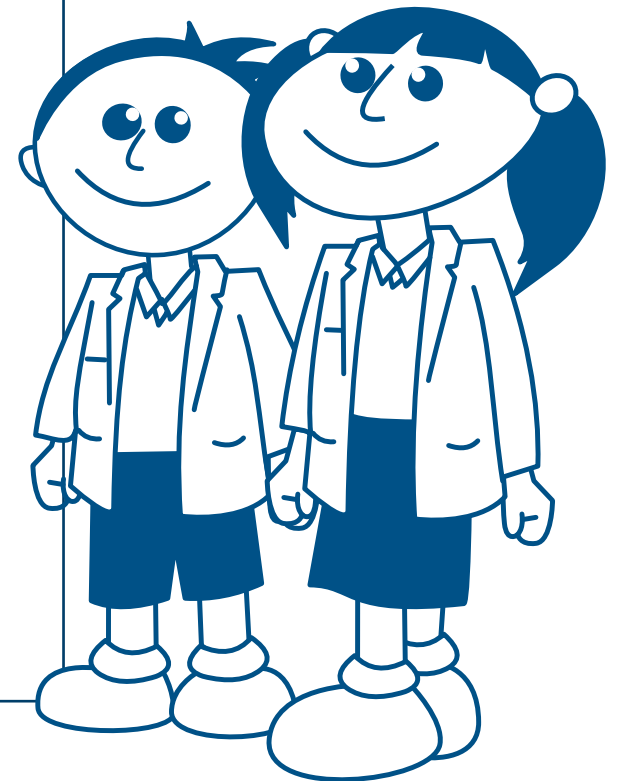

# My First Day at School

Make sure you plan your route to school well in advance.

Will you travel with your brothers or sisters?

What will you have to wear to school on your first day?

Is there a uniform or can you wear your favourite clothes? Draw it below.

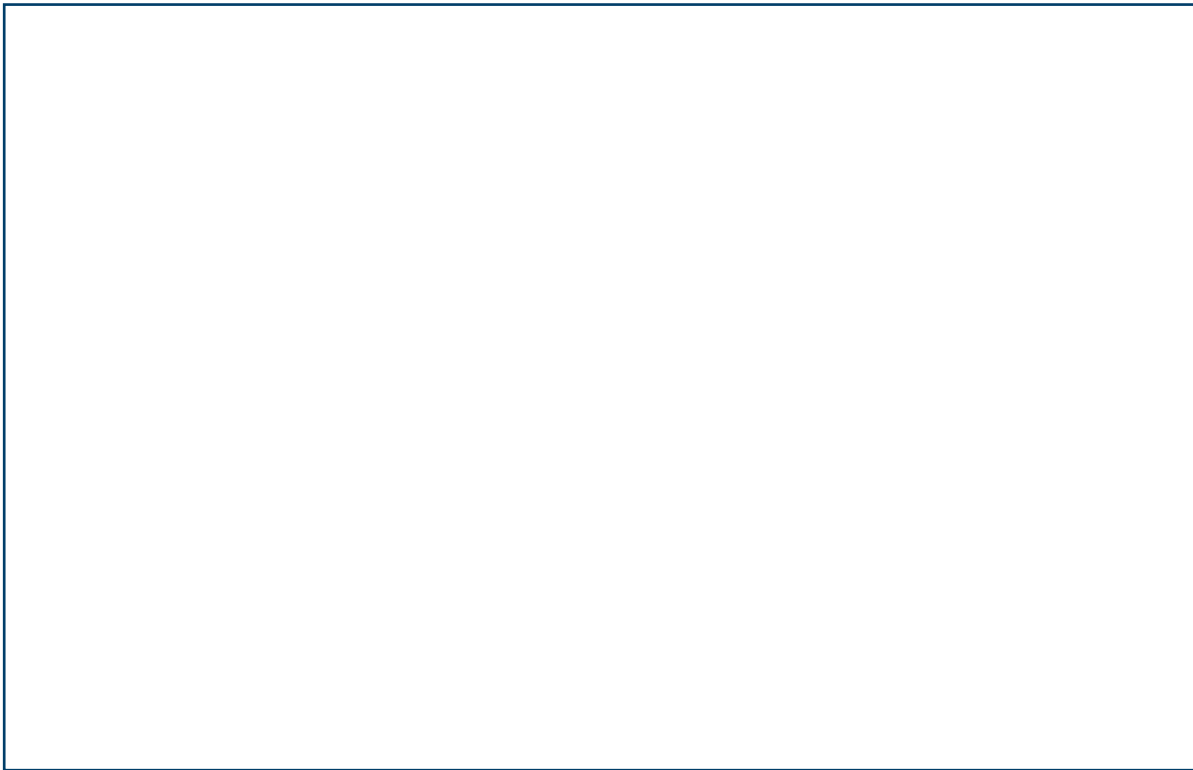

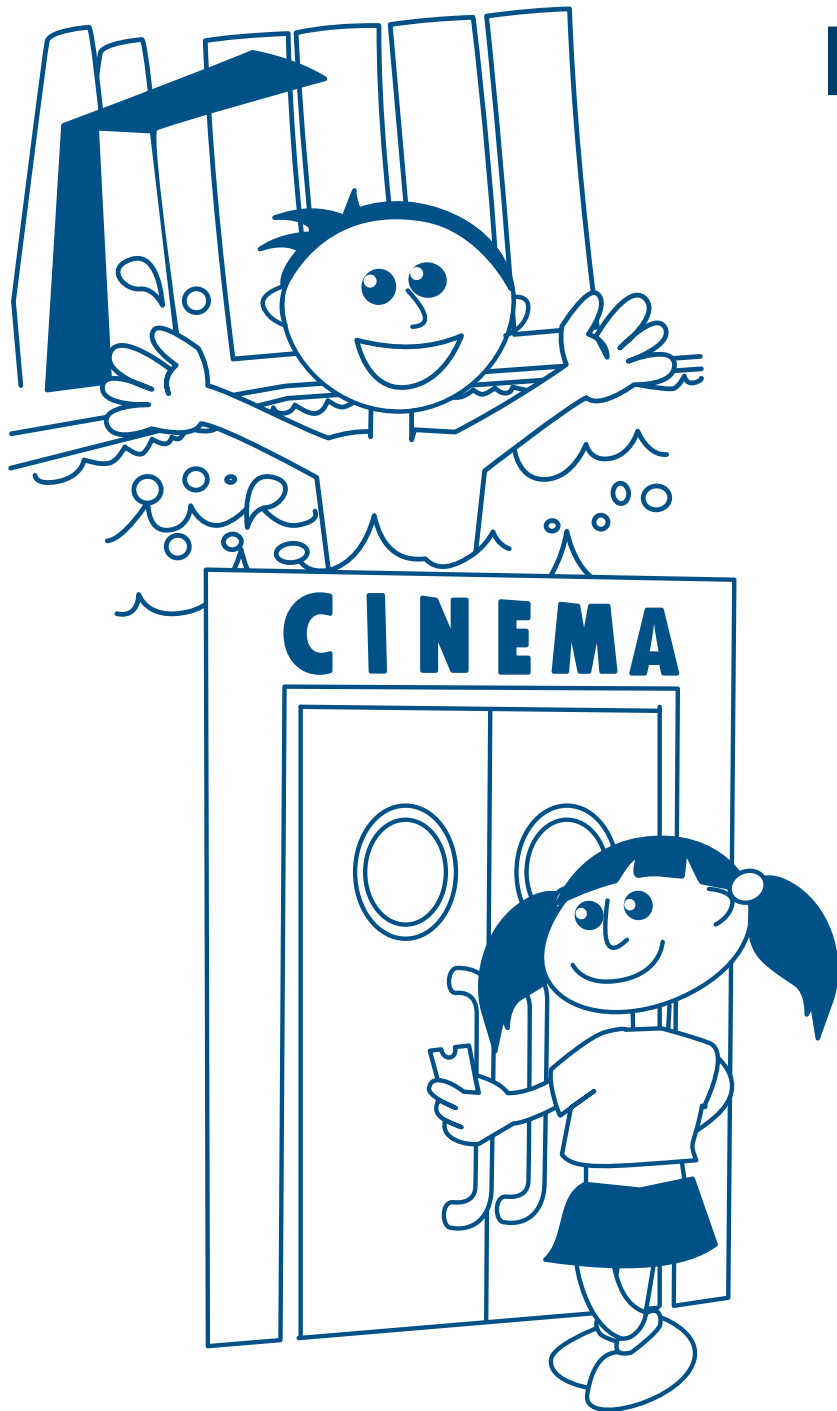

# My New Neighbourhood

You can still have lots of fun before you start school.  
Let's do some exploring! First let's explore your neighbourhood.

Draw a map of your neighbourhood.

# My New Neighbourhood

Where is your nearest:

Swimming Pool

---

Bus Stop

---

Library

---

Park and Playground

---

Shopping Centre

---

Cinema

---

Bowling Alley

---

# My New Country

What famous places are there to see in your new country?  
You may not be able to visit these things straight away but why  
not find out more about all the different places you can see.

**Innovating \ Integrating \ Relocating**
